

Dear Girl Scout Leader:

Join us as we celebrate our 9th annual Girl Scout Days, Saturday, November 5 or Sunday, November 6 from 10 AM to 4 PM. Junior Girl Scouts can fulfill components for a variety of badges, while Brownie Girl Scouts can participate in a variety of Try-It activities!

Activities

Your troop will have the opportunity to explore the Zoo at your own pace, while participating in activities at the various stations throughout the Zoo. We recommend you allow at least two hours for visiting all the stations. At these stations, Junior Girl Scouts can participate in demonstrations and discussions, fulfilling elements for a variety of badges, including Earth Connections, Plants and Animals, Wildlife, and Careers. Brownie Girl Scouts can participate in Try-It activities, where they will also learn and join in demonstrations and discussions in the areas of Animals, Eco-Explorer, Careers, and Watching Wildlife. All activities correspond with the appropriate badge or Try-It activities found in the Junior Girl Scout and Brownie Girl Scout handbooks.

Swap Meet Fun!

This year during Girl Scout Days, we will recognize a tradition among troops. Swaps serve as a remembrance of a great time and are a great way for scouts to meet each other and share something about themselves! We invite your troop to participate in our version of swaps, located at the Woodlands Patio at 11:30 AM and 2:30 PM. Remember: *Make new friends and keep the old, some are silver and the other gold, but the SWEETEST friends are made in Hershey!*
