

ZooCamp 2011

Grunts and growls, hoots and howls . . . this camp is wild!

ZooCamp is designed to provide creative opportunities for learning about the wonders of our natural world. Each day of ZooCamp is themed and is filled with up-close animal encounters, cool crafts and activities, guided zoo walks, snacks and lively discussions! Campers will have fun while exploring the wild world of animals!

Enrollment Policy

- Registration deadline: May 27, 2011
- The ZooCamp sessions are grouped by grade level. For the benefit of the classes and campers, strict guidelines are followed regarding age ranges and grade levels. Campers should register for the grade level they will be entering in the fall of 2011.
- Registrations are processed in the order that they are received by mail, or dropped off at ZooAmerica.
- Each session has limited space and is closed when filled, even if that happens before the registration deadline. A waiting list is kept for each session.
- All payments received will be processed upon receipt. If there is no space available, your check will be returned.
- Once your registration has been processed, you will receive a confirmation letter by mail.
- All programs are subject to cancellation if minimum enrollment requirements are not met.
- Campers are expected to be respectful and courteous to one another, as well as to all staff members, participate fully in the camp program, observe the camp rules, and respect the camp facilities.
